Hello friends,

I was asked by Captain Reina to reach out to you regarding the clean-up and power washing schedule Sonia Mendoza from Facility Management Division and your respective BIDs entered into earlier this year. It appears the area is not getting cleaned regularly. This not only helps with the aesthetics of the building when we have visitors, but it aids in the health of our officers. If you can please forward this is the leader of your clean-up crews I would appreciate it. If there is any problem, please contact me and I will reach out to Sonia Mendoza to contact you, Thank you for all you do and the partnerships we share. Mike
